AKTI News & Legislative Updates

Wishing health and safety for all of our knife community members and their families and friends.

Greetings!

Is there a knife that would be legal in all 50 states? What knife could you use to travel through the country for work or recreation?

The answer is not easy. It involves both objective and subjective issues.

Blade length, function and design-based restrictions, and "deadly weapon" restrictions are all part of the discussion. Attorney and knife expert Dan Lawson dealt with these issues in the AKTI article written for the April issue of [Knife Magazine](#).
